made peace with my past. Because many of the events were demonic, several times I shook like a leaf and screamed like a child as I relived the horrible memories that had haunted me all my life. But Jesus spoke his peace and love into those dark closets of my heart each time, and several times I watched Him cast demons out. Jesus is greater than anything! I praise Him for healing me, and I want to share the good news that He can do the same for you!

Beauty FROM ASHES Newsletter

Testimony

From an early age, my life was one of rejection, fear, and shame. I grew up in a home where my father was bipolar manic depressive and my mother was emotionally detached. Most of my life consisted of one overwhelming incident followed by another, each one destroying a piece of my heart to the point of deep depression and anxiety.

If Jesus ever made beauty out of the ashes of someone's life, He certainly did in mine. The pile of ashes in my life was deep with extreme rejection, sexual abuse, premarital sex, rape (resulting in a broken engagement), drinking, betrayal, unjust accusations that landed me in jail, an ugly divorce, separation from children, and the list could go on.

In the sessions, Jesus came through in some awesome ways, holding me as a frightened little girl as we went back and

| A Note from Robert Riegsecker |

I am so excited to see what GOD is doing through this ministry. This work began in 2008, after my wife Lilly and I spent several months of our sabbatical in Colorado Springs where we received training in the Caring For The Heart (CFTH) model from John Regier. After returning home, we watched as the LORD JESUS CHRIST ministered to, and healed many in our church family, as we walked with them through the healing journey. From this blessing of God's touch and healing, CAP Ministries was birthed in 2012. Now, many others from the congregation assist in this ministry.

CAP Ministries is committed to minister to any person the LORD JESUS brings to our doors. Our goal is to be able to have an appointment available within one to two weeks after receiving the first call. By the grace of God we are able to make this commitment our goal because of the number of equipped counselors GOD has raised up. We recognize that all healing is in JESUS CHRIST, and by His Word we too have freely received healing. From that belief this ministry is committed to offer its services free of charge. We are a faith based ministry that rests on the provision of GOD as He directs His people to support this work in prayer and gifts. It is indeed exciting to see what GOD continues to do, as He is resting His anointing on His people, to do His work. Our prayer as a church at Griner, and as CAP Ministries, is that GOD will be glorified. This is His work, by Him, for Him, and to the Glory of His Name. Amen. *In Christ, Robert Riegsecker*

"The Spirit of the Lord GOD is upon Me, Because the Lord has anointed Me To *preach* good tidings to the poor; He has sent Me to *heal* the brokenhearted, To *proclaim* liberty to the captives, And the *opening of the prison* to those who are bound...To *console* those who mourn in Zion, To *give them beauty for ashes*, The oil of joy for mourning, The garment of praise for the spirit of heaviness; That they may be called trees of righteousness, The planting of the LORD, *that He may be glorified.*" Isaiah 61: 1 & 3

| From Counselor Andrew Coblentz |

If you were ever lost but now are found....If you were ever blind but now can see....If you were ever sick but now are healed....then you know why Jesus means so much to me. Personalizing that even more, if you were ever dead in sins but now are alive in Christ....If you were ever trapped in a miry pit of depression and heaviness but then Jesus set you free and gave you peace and joy....If you lived with anxiety almost every day of your life until Jesus' perfect love cast out that spirit of fear....If you know how it feels to be a slave to addiction but then Jesus breaks through that prison wall and rescues you....If your life used be an existence full of problems with no solutions, and then Jesus and the Holy Spirit put

their life and power within your heart.... Then you know why Jesus means so much to me and my wife. In a nutshell, that's the testimony of what Christ did in our life (and continues to do).

And that is exactly why I love being present when Jesus does another miracle of healing and deliverance in someone's life. I pray that can be the heartbeat of this ministry- to love as Jesus loves. To allow His love, forgiveness, grace, and the life-changing power of the Holy Spirit to flow like a river into the lives of hurting, sin-shackled people, transforming ashes into something beautiful. Only Jesus can do that! And believe me, He does!
